Lookout Pass near Historic Wallace, Idaho

America’s greatest adventure begins high atop the Bitterroot Mountains at the Idaho/Montana Border when you enter the massive, perfectly straight 1.7 mile Taft Tunnel, built in 1908! When you emerge, you follow the remaining 13 mile historic rail trail through 9 cavernous train tunnels and across 7 sky-high trestles. You will venture past sparkling mountain creeks, deer, elk, moose; and endless views of the towering Idaho/Montana Bitterroot Mountains.

GETTING THERE

SHUTTLES OPERATE EVERY DAY!

This service is provided on a first-come/first-serve basis and the shuttles depart as soon as they are full.
